MESSAGE FROM CHIEF EXECUTIVE OFFICER (CEO)

Dear Patrons,

It is our great pleasure to welcome you to **Torque International Company Limited**, a trusted and forward-looking organization dedicated to connecting skilled talent with global opportunities. As a licensed manpower recruiting agency, we are committed to facilitating ethical, professional, and efficient workforce solutions that benefit employers, employees, and the economies of both source and destination countries.

At **Torque International Co, Ltd**, we recognize that human capital is the foundation of every successful organization. Our mission is to identify, recruit, train, and deploy qualified professionals and skilled workers who can contribute effectively to the growth and success of our international clients. We serve a diverse range of sectors, including construction, engineering, healthcare, hospitality, aviation support services, manufacturing, logistics, security services, information technology, and other specialized industries.

My own professional journey has been shaped by more than three decades of leadership, management, and operational experience. As a retired Group Captain of the Bangladesh Air Force, I have accumulated over 1,700 hours of flying experience and held numerous commands, operational, training, safety, and administrative appointments. These experiences have instilled in me the values of discipline, integrity, professionalism, and operational excellence, which now form the cornerstone of our corporate culture.

Following my military career, I have served in senior executive leadership positions in the corporate sector and contributed to higher education as an MBA and EMBA faculty member. My academic and professional background in Business Administration, Strategic Leadership, Aviation Safety, Risk Management, and Organizational Development enables me to lead Torque International with a strong focus on quality, compliance, and long-term value creation.

At **Torque International Co. Ltd.**, we are committed to maintaining the highest standards of ethical recruitment. We work closely with employers to understand their workforce requirements and ensure that candidates are selected through transparent and merit-based processes. Our comprehensive services include workforce sourcing, candidate screening, trade testing, skills assessment, documentation support, visa processing coordination, pre-departure orientation, and post-deployment assistance.

We take pride in promoting safe, legal, and responsible migration while safeguarding the interests and welfare of the workforce we deploy. By building strong partnerships with employers, government agencies, training institutions, and international stakeholders, we strive to create opportunities that improve lives and contribute to sustainable economic development. As global labor markets continue to evolve, **Torque International Co. Ltd.** remains committed to innovation, professionalism, and service excellence. Our vision is to become a leading international recruitment and workforce solutions provider, recognized for quality, reliability, integrity, and client satisfaction.

I extend my sincere appreciation to our valued clients, business partners, government authorities, employees, and candidates for their trust and confidence. Together, we are building bridges between talent and opportunity, creating a future of growth, prosperity, and shared success.

You are cordially invited to visit Bangladesh at your convenience.

With profound regards

Md Abdul Ahad,

Recruitment Procedures of Workers from Bangladesh

The procedures required to be followed by the Foreign Employers for recruitment of Bangladeshi workers are very simple. These are indicated below:

A. Placement of Demand Letter for workers.

The Foreign Employers who are looking forward to utilize the services of Torque International Co. Ltd. for employment of Bangladeshi workers may contact Torque Preferably through Fax/e-mail/phone followed by a formal Demand Letter. The Demand Letter should include (i) Type of workers required (ii) Nature of work. (iii) Number of workers, (iv) Wages/Salary (v) Qualifications and experience and others terms and conditions of service.

B. Power of Attorney

A Power of Attorney is required to be issued by the Overseas Employer authorizing Torque International Co. Ltd. to recruit workers and apply for visa and to perform others formalities with the concerned authorities. The Power of Attorney should be attested by the Foreign Ministry of the host country and thereafter by the Bangladesh Mission / Labour Attaché in that country. If a Recruiting Agent of a foreign country is willing to deal with Torque International Co. Ltd., he should forward his registration certificate to us.

C. Visa Advice / e-Wakala/Enjaz/Tasheer / Work Permit/Visa

Documents granting permission from the Competent Authority for employment of Bangladeshi workers in that Country i.e. **Visa Advice / e-Wakala/Enjaz/Tasheer / Work Permit/Visa** to be sent well in advance before departure of workers.

D. Employment Contract

Individual Employment Contract Form in English is required to be sent to Torque International Co. Ltd in which the following conditions are to be clearly stated: (i) Name of the post, (ii) Monthly Salary / Wages, (iii) Duration of Contract, (iv) Accommodation, (v) Local Transportation, (vi) Traveling expenses after termination of contract. (vii) Overtime Allowances, (viii) Medical Treatment (ix) Weekly & Annual Holidays The unspecified conditions shall be in accordance to the Labour Laws of the host country.

Selection Procedures of Workers

A. Receipt of Application

On receipt of confirmed Demand Letter from the employer, Torque International Co. Ltd. collect CV's/applications through any one or a combination of the following ways to lineup the most suitable candidates for Interview / Test by the Employers of their authorized Representative.

Sources of Mobilization

- Manpower File of Torque International Co. Ltd.
- News Paper advertisement.
- District Manpower offices of the Govt.
- Technical/Specialized Institutions.
- Data Base of the BMET/BAIRA.
- Job seeker's Forum.

Applications / CV's thus received are screened by the professional experts of the Company or by inviting suitably qualified Technical / Professionals from outside. The short-listed CV's either sent to the employer or kept in the office as per desire of the employer and presented at the time of interview.

B. Selection

- The Employer or his Representative conducts interview/trade tests in order to select workers finally. The Torque International Co. Ltd. provides necessary logistic supports such as issuance of interview cards, arranging suitable place for interview & Test etc. At times Torque International Co. Ltd. may also select workers if they are entrusted to do so.

C. Medical Examination

- The Candidates who are finally selected sent for Medical Examination to the appointed /authorized Medical Centers. Normally they are medically examined at the centers appointed by the embassies of the employers' country.

Departure Formalities of Workers

A. Passport:

In most cases the applicants who are looking for employment abroad do have their passports. Torque International Co. Ltd. also assist the selected workers who do not have passport to obtain passport as quickly as possible. There is provision for issuing passport on urgent basis. The character and antecedents of each person are being verified by the Police before issuing international passport.

B. Application for visa:

Embassy in Bangladesh will apply for visa in case in case of block visa if country in which the workers are traveling has an Embassy in Bangladesh. This is the prevalent practice. The employer may obtain NOC/Work Permit/Visa advice for the selected workers. In case there is no Embassy in Bangladesh of the particular country, it is the responsibility of the Employer to obtain necessary visa for traveling & entry to his country.

C. Ticketing & Emigration formalities:

The employer may send PTA or remit necessary traveling expenses in favour of Torque International Co. Ltd. If employers do not provide joining air ticket, workers will pay for joining air ticket. Torque International Co. Ltd. obtain Emigration clearance from the concerned Govt. Departments of Bangladesh & arrange air ticket for the selected workers.

D. Briefing before Departure:

Torque International Co. Ltd. undertakes the responsibility of providing basic orientation for traveling to foreign countries. The workers are informed about their salaries, duties and responsibilities and given firsthand information on work environment, rules, regulations and social & cultural tradition of that country. They are specially cautioned to maintain discipline and to follow strictly rules and regulation of the Employers.
